The RITO Fashion House was founded by Tetyana Abramova and Olena Derevianko in 1992. Today it is one of the prominent manufacturers of knitwear in Ukraine.

In terms of designer ideas and complexity of execution it does not give way to renowned world brands. RITO creates a wide selection of knitwear, from classic to trendy, for women of any age who desire to accent their individuality.

The whole range of the RITO collection is made of natural materials - cotton, silk, viscose. Dresses, tunics, sundresses, suits, tops and skirts decorated with elegant designs of classic Ukrainian embroidery and motifs are a splash of colour and culture that compliment any wardrobe. Echoes of folk traditions and ceremonies, freedom and power of nature are all embodied in the products of the new collection.
