30th Anniversary Ukrainian Folk Song CD Recording Purchase Request

June 7, 2010

Dear Parents and Students,

Back in the fall MPUE asked each of the English-Ukrainian Bilingual Schools if they were interested in participating in recording a 30th anniversary CD. Our request was for each school to prepare 2 Ukrainian folks songs. We are very excited to announce that all 12 schools in the English-Ukrainian Bilingual Program in Manitoba participated in the recording of this CD with the completion of recording having occurred this past May.

The teachers worked extremely hard with the students and we know you will enjoy the chosen selections of Ukrainian folk songs. It was very interesting and exciting to hear all the different combinations of song style, accompaniments and singing styles which were recorded.

We are very fortunate and thankful to have received partial funding of this recording from Manitoba Culture, Heritage & Tourism and The Winnipeg Foundation. Very special recognition goes to TecVoc High School and 730 CKDM in Dauphin for providing their facilities in which to record. A heartfelt thank you goes out to all the teachers who made the song choices, arranged the accompaniment and prepared the students. Your efforts are so very much appreciated and have created a treasure of children's singing for us all to enjoy. Finally, a special thank you goes out to Rita Procyshyn for creating our CD design.

We are currently finalizing the song mixing and CD packaging in preparation for releasing the CD. This is a pre-order form to allow you to pre-order the CD and to allow us to know how many to create.

The cost is \$15 per CD and they will be delivered either to your child's school or to your home in the fall. We are also looking into the possibility of organizing a release event which would be announced in the fall.

NOTE: Cheques should be made payable MPUE. Return the attached permission form with payment to MPUE Inc. For additional information, please contact the MPUE Office at (204) 942-5405.

Warmest regards,

Susan Zuk
