October 2, 2010

Dear Grade 8 & 9 English-Ukrainian Bilingual Program Students and Parents/Guardians,

Each year MPUE plans a trip to Vegreville and beyond. In 2010 we held a very successful trip and would like to provide this opportunity again for grade 8 & 9 EUBP students, teachers, and interested parents. Last May's trip was very exciting indeed. Wonderful friendships were made and interesting sites were experienced and with the bus filled to capacity. This May, 2011 we would like to repeat this trip and allow the students a chance to experience the valuable Ukrainian and cosmopolitan sights which Alberta and Saskatchewan have to offer.

The purpose of this letter is to inform everyone about the trip and to determine how many are interested in participating from your school. The cost of the trip will be determined in the near future based on response. We are looking for teachers and chaperones to attend as well. If you are interested in taking part in this very exciting trip please let us know by indicating your intentions on the attached form.

A commitment letter and request for deposits will be going **out at the end of November 2010**.

The preliminary itinerary is as follows:

Wednesday, May 11, 2011

- Depart Winnipeg early morning via bus and arrive to Vegreville, Alberta the same day. Check into a hotel for 2 nights.

Thursday, May 12

- Tour the Ukrainian Heritage Village outside of Vegreville, the World's Largest Kovbasa, a venture out at the West Edmonton Mall, view the World's Largest Pysanka back in Vegreville and visit the ever hospitable St. Volodymir's Church.

Friday, May 13

- Depart for Saskatoon. Check into a hotel with waterslides to enjoy some leisure time. That evening we'll get dressed up and head over to attend the "World's Largest Ukrainian Cabaret" known as the Vesna Festival.

Saturday, May 14

- Early morning departure back to Winnipeg arriving around supper time.

Please contact myself or the office if you have any questions.

Best Regards,

Susan Zuk
