Give your child the advantage of a second language!

Parents of children entering Kindergarten or Grade 1 in September 2018 are invited to take this opportunity to visit the school, meet staff and learn about the benefits of the English-Ukrainian Bilingual Program (EUBP).

The EUBP offers a balance of **English** and **Ukrainian instruction**, allowing each student to gain a rich understanding of the language, traditions and culture and there is no cost to enroll. As a language program, transportation is available for your child, based on Winnipeg School Division guidelines.
